Re: **Conflict Waiver Request Regarding Bainebridge Community Development District and SouthState Bank**

Dear Beth and Ben:

Greenberg Traurig, P.A. (together with Greenberg Traurig, LLP, “Greenberg Traurig”) has been asked to represent the Bainebridge Community Development District (“Bainebridge”) to provide advice and counsel with respect to the proposed issuance of tax-exempt special assessment revenue refunding bonds to refund a series of outstanding bonds of Bainebridge, which refunding bonds are expected to be privately placed with SouthState Bank, N.A. (“SouthState”), or an affiliate thereof, as bond purchaser (the “Transaction”). Greenberg Traurig is currently representing SouthState in connection with unrelated matters. While we are not representing SouthState in connection with the Transaction, nonetheless our representation of Bainebridge in connection with those Transaction presents a potential for a conflict, although the Transaction is not a contentious matter.

Rule 4-1.7 of the Florida Rules of Professional Conduct provides as follows:

(a) Representing Adverse Interests. A lawyer shall not represent a client if the representation of that client will be directly adverse to the interest of another client, unless:

- (1) the lawyer reasonably believes the representation will not adversely affect the lawyers’ responsibilities to and relationship with the other client; and
- (2) each client consents after consultation.

Before Greenberg Traurig may proceed with our representation of Bainebridge in connection with the Transaction, we must confirm that SouthState has no objection to our representation of Bainebridge with respect to the Transaction and continuing representation in

other unrelated matters, and that Bainebridge has no objection to Greenberg Traurig's continuing representation of SouthState with respect to other unrelated matters.

We have examined our proposed representation of Bainbridge and have concluded that our representation of Bainebridge will not be adversely affected by any representation of SouthState in connection with the unrelated matters, that our representation of SouthState will not be adversely affected by the representation of Bainebridge in connection with the Transaction or other unrelated matters, and that our duty of confidentiality to either party will not be breached by our representation of Bainebridge with respect to the Transaction or our continuing representation of SouthState with respect to the unrelated matters.

This letter will confirm that each of you: (i) acknowledges that you have been advised of the potential conflict of interest involved in our representation of Bainebridge with respect to the Transaction; (ii) having been advised of such potential conflict of interest, consents to our continued representation of Bainebridge in connection with the Transaction and other unrelated matters and of SouthState in connection with the other unrelated matters; and (iii) waives and releases Greenberg Traurig from any claims in the nature of conflict of interest arising out of such representations or that may presently or hereafter exist based on the continuing relationships of Greenberg Traurig with each of you.

In the event of any controversy which results in the threat or commencement of litigation or other adversarial proceedings between the parties with respect to the Transaction, we will notify both parties at the earliest practicable moment and discuss such matters with both of you (to the extent not prohibited by the attorney/client privilege). Furthermore, in the event a dispute should arise between you in regard to the Transaction, Greenberg Traurig will not represent either party in any controversy or litigation.

In no event will confidential information obtained from either party be disclosed or used in any proceeding adverse to the other. During our representation of Bainebridge in connection with the Transaction, (i) none of our attorneys involved in that representation of Bainebridge will share files or other information relative thereto with any of our attorneys representing SouthState with respect to the unrelated matter, and (ii) none of our attorneys involved in the representation of SouthState in connection with unrelated matter will share files or other information relative thereto with any of our attorneys representing Bainebridge with respect to Transaction, or be involved in the representation of SouthState with respect to the Transaction.

If you find this letter and the waivers and acknowledgements contained in this letter acceptable, kindly oblige and countersign the enclosed copy of this letter where indicated on page 3, insert the date you sign it and return the countersigned copy of the letter to me by email (sanfords@gtlaw.com) at your earliest convenience.

This letter may be executed in counterparts, all of which shall evidence only one agreement and only one copy of which need be produced for any purpose. An electronically transmitted or facsimile signature will have the same legal effect as an originally drawn signature.

We appreciate your courtesy in waiving this potential conflict and allowing us to continue to serve as counsel to both Bainebridge and SouthState. Thank you for your consideration of this request.

Sincerely,

GREENBERG TRAURIG, P.A.

AS PLACEMENT AGENT; AUTHORIZING THE PROPER OFFICIALS TO DO ALL THINGS DEEMED NECESSARY IN CONNECTION WITH THE ISSUANCE, AND PRIVATE PLACEMENT OF THE BONDS; MAKING CERTAIN DECLARATIONS; DESIGNATING THE BONDS AS “QUALIFIED TAX-EXEMPT OBLIGATIONS” WITHIN THE MEANING OF SECTION 265(b)(3) OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Bainebridge Community Development District (the “District”) is a local unit of special-purpose government organized and existing in accordance with the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”), created pursuant to the provisions of Ordinance No. 2005-1417-E, duly enacted by the City Council of the City of Jacksonville, Florida on October January 10, 2006; and

WHEREAS, the District was created for the purpose of delivering certain community development services and facilities within and outside its jurisdiction; and

WHEREAS, pursuant to that certain Master Trust Indenture and First Supplemental Trust Indenture, each dated as of May 1, 2007, and each by and between the Issuer and U.S. Bank Trust Company, National Association, successor to U.S. Bank, National Association, as the original trustee (the “Original Trustee”), the District issued its \$8,240,000 aggregate principal amount of its Bainebridge Community Development District Special Assessment Bonds, Series 2007 (the “2007 Bonds”) to finance certain public infrastructure (herein, the “2007 Project”); and

WHEREAS, the District now hereby determines it to be in the best economic interest of the residents and property owners residing within the District to defease and refund the outstanding 2007 Bonds on a current basis; and

WHEREAS, pursuant to the 2025 Indenture (as defined below) and this Resolution, the District hereby determines to issue its Special Assessment Refunding Bonds, Series 2025 (the “2025 Bonds”) in the aggregate principal amount of \$1,090,000 for the purpose of defeasing and redeeming all of the outstanding 2007 Bonds (the principal amount of such outstanding 2007 Bonds to be defeased and refunded is herein referred to as the “Refunded Bonds”); and

WHEREAS, based on a written July 9, 2025 proposal (the “Proposal”) from SouthState Bank, N.A., a national banking association (the “Lender”), approved by the Board, the Lender will purchase, on a negotiated private placement basis, the 2025 Bonds to be issued by the District pursuant to the terms and provisions of the Bond Placement Agreement substantially in the form attached hereto as Exhibit A; and

WHEREAS, there has been submitted for this meeting with respect to the issuance and sale of the 2025 Bonds and submitted to the Board forms of:

(ii) a Trust Indenture by and between the District and the Current Trustee (as herein defined), substantially in the form attached hereto as Exhibit B (the “2025 Indenture”).

WHEREAS, the District does not intend to issue more than \$10,000,000 of tax-exempt debt in calendar year 2025 and, therefore, the Board hereby designates the 2025 Bonds as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the “Code”).

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of Bainebridge Community Development District, as follows:

Section 1: Negotiated Private Placement. The Board hereby finds that the complex nature of assessment bond financings, the favorable terms of the Proposal, and the volatile conditions prevailing in the market for tax-exempt special assessment bonds makes it necessary and in the best interest of the District that the 2025 Bonds, in the aggregate principal amount of \$1,090,000 be privately placed on a negotiated basis to the Lender pursuant to the terms of the Placement Agreement and the efforts of FMSbonds, Inc. acting as placement agent for the District. The District hereby further finds that it will not be adversely affected if the 2025 Bonds are not sold pursuant to a competitive sale.

Section 2: Sale of the 2025 Bonds. The Proposal submitted by the Lender to purchase the 2025 Bonds on the conditions established pursuant to the terms and provisions of the Proposal and the 2025 Indenture (the form of which is attached hereto as Exhibit B) and on the terms and conditions set forth in the Placement Agreement (the form of which is attached hereto as Exhibit A) with respect to the 2025 Bonds, are hereby approved and adopted by the District. The Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby authorized to execute and deliver on behalf of the District, and the Secretary or Assistant Secretary of the District is hereby authorized (if so required) to affix the seal of the District and attest to the execution of the Placement Agreement substantially in the form presented at this meeting. The disclosure statements of the Lender, as required by Section 218.385, Florida Statutes, and the affidavit of the Lender required under Section 787.06, Florida Statutes, to be delivered to the District prior to the execution of the Placement Agreement, will be entered into the official records of the District. The terms of the 2025 Bonds shall be consistent with the terms of the Proposal and the 2025 Indenture.

Section 3: Purpose and Authorization. The Board authorizes the defeasance and optional redemption of the Refunded Bonds with a portion of the proceeds of the 2025 Bonds and other available moneys and to pay the costs of issuing the 2025 Bonds.

Section 4: Details of the 2025 Bonds. That the proceeds of the 2025 Bonds and other available moneys shall be applied in accordance with the provisions of the 2025 Indenture. U.S. Bank Trust Company, National Association is hereby appointed as trustee, paying agent and bond registrar (collectively, the "Current Trustee"). The 2025 Bonds shall mature in the amount, bear interest at the rate (subject to adjustment), and be subject to redemption, all as provided in the 2025 Indenture. The execution of the 2025 Indenture shall constitute approval of such terms as set forth in this Section 4. The maximum aggregate principal amount of the 2025 Bonds authorized to be issued pursuant to this Resolution shall be \$1,090,000. The 2025 Bonds shall be issued as a single certificate and shall mature not later than May 1, 2038.

Section 5: 2025 Indenture. The District hereby approves and authorizes the execution by the Chairperson or any other member of the Board and the Secretary, or any Assistant Secretary, of the Board and the delivery of the 2025 Indenture in substantially the form attached hereto as Exhibit B, with such changes therein as shall be approved by the Chairperson or any other member of the Board executing the same upon the advice of counsel to the District and the District's Bond Counsel, with such execution to constitute conclusive evidence of such officer or member's approval and the District's approval of any changes therein from the form of 2025 Indenture attached hereto.

Section 6: Bank Qualified Bonds. The 2025 Bonds are hereby designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Code.

Section 7: Appointment. The Board hereby appoints FMSbonds, Inc. as the placement agent ("Placement Agent") in connection with the negotiated private placement of the 2025 Bonds. The District shall pay the fee of the Placement Agent upon the issuance of the 2025 Bonds.

Section 8: Authorization and Ratification of Prior Acts. All actions previously taken by or on behalf of District in connection with the issuance of the 2025 Bonds, the defeasance and refunding of the Refunded Bonds including the execution of the Proposal are hereby authorized, ratified and confirmed.

Section 9: Further Official Action. That the Chairperson, Vice Chairperson, the Secretary, or any Assistant Secretary and each member of the Board and any other proper official of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chairperson or the Secretary is unable to execute and deliver the documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District herein authorized. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation.

Section 10: Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the

remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

BOND PLACEMENT AGREEMENT

THIS BOND PLACEMENT AGREEMENT (the “Agreement”) dated August 21, 2025, is by and between **SOUTHSTATE BANK, N.A.**, a national banking association organized under the laws of the United States (herein the “Lender”), and the **BAINEBRIDGE COMMUNITY DEVELOPMENT DISTRICT**, a local unit of special-purpose government, organized and existing in accordance with the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”) (together with its successors and assigns, the “District”).

W I T N E S S E T H:

WHEREAS, pursuant to the Act and Resolution No. 2025-08 (the “Bond Resolution”), adopted by the Board of Supervisors of the District, as the governing body of the District (the “Board”), on August 14, 2025 authorized the issuance of its \$1,090,000 in principal amount of Bainebridge Community Development District Special Assessment Improvement and Refunding Bonds, Series 2025 (the “Bonds”); and

WHEREAS, pursuant to the Bond Resolution, the Board appointed FMSbonds, Inc. as placement agent (the “Placement Agent”) to privately place the Bonds with a suitable institutional investor, which such suitable institutional investor was determined to be the Lender; and

WHEREAS, the Bonds will be issued under, and secured by, the provisions of the 2025 Indenture (as defined in the Bond Resolution); and

WHEREAS, any capitalized term used in this Agreement and not otherwise defined shall have the meaning ascribed to such term in the 2025 Indenture; and

WHEREAS, the Lender has submitted a proposal to the District dated July 9, 2025 and approved by the Board on July 17, 2025 (the “Proposal”) whereby Lender will purchase the Bonds of the District pursuant to the terms of the Proposal, the Bond Resolution, this Agreement and 2025 Indenture; and

WHEREAS, the Lender has reviewed the Bond Resolution and the 2025 Indenture and hereby finds the terms acceptable and consistent with the Proposal; and

WHEREAS, on this date, the District has, pursuant to provisions of the Act, the Bond Resolution, the 2025 Indenture, the Proposal and this Agreement, agreed to issue and sell to the Lender and the Lender has, pursuant to the terms and provisions of this Agreement, the Proposal, the Bond Resolution and 2025 Indenture, agreed to purchase the Bonds in the principal amount of \$1,090,000 (the “Purchase Price”); and

WHEREAS, the Placement Agent, acting on behalf of the District, has negotiated the terms of the Bonds and 2025 Indenture with the Lender; and

NOW THEREFORE, the District and the Lender hereby agree as follows:

1. **Purchase and Sale.** Upon the terms and conditions set forth herein and in the Bonds, the Bond Resolution, the Proposal and the 2025 Indenture (collectively the “Transaction Documents”) and upon the representations and warranties of the District set forth in the Transaction Documents and related closing opinions and certificates, the District agrees to sell the Bonds on a negotiated basis to the Lender and the Lender agrees to purchase with immediately available funds, the Bonds, subject to the provisions of the Bond Resolution, the Proposal and 2025 Indenture. Since the dated date of the Bonds is the date hereof, there will be no accrued interest as part of the Purchase Price. The principal amount of the Bonds Outstanding at any time shall be determined by the records of the Lender, the Trustee and the District.

2. **Private Placement Negotiated Sale.** The Lender hereby acknowledges that the purchase of the Bonds from the District was on a negotiated private placement basis and that there has been no offering document prepared by the District in connection with such sale. The Lender, together with the District, acknowledge that the Placement Agent acted as the agent of the District in connection with the sale of the Bonds. The District and the Lender agree that the Bonds will not be held by DTC and no CUSIP numbers will be affixed to the Bonds.

3. **Conditions for Purchase.** The agreement by the Lender to purchase the Bonds on this date is subject to the satisfaction of the conditions set forth in Section 3.01 of the 2025 Indenture. The purchase of the Bonds by the Lender will constitute full evidence that such conditions have been satisfied or waived. Notwithstanding anything herein to the contrary, the Lender will purchase the Bonds as one single bond certificate.

4. **Representations of the District.**

(a) The District is authorized under the laws of the State of Florida to execute and deliver the Bonds, to enter into the Transaction Documents, to consummate the transactions contemplated thereby and to perform all of its obligations thereunder. The District is authorized by the Act to issue the Bonds for the purposes described in the 2025 Indenture and to enter into the Transaction Documents.

(b) The execution and delivery of the Transaction Documents by the District has been duly authorized by all necessary action of the Board and the District has obtained such other approvals and consents as the parties hereto deem necessary to consummate the transactions contemplated thereby. The District further represents, covenants and warrants that all requirements on its part have been met, and procedures have occurred, necessary to ensure the enforceability of the Transaction Documents against the District, in accordance with their respective terms, except as the enforceability thereof may be limited by applicable bankruptcy, insolvency or other similar laws affecting the enforcement of creditors’ rights or by general principles of equity.

(c) The District will promptly and duly execute and cause to be filed with the appropriate parties and deliver to the Lender such further documents, instruments and assurances and take such further action at the expense of the District, as the Lender may from time to time

reasonably request in order to carry out the intended purpose of the 2025 Indenture, the Proposal and this Agreement and to secure the interest of the Lender in the Pledged Revenues.

(d) The purchase of the Bonds is based solely upon the accuracy of the District's representations and financial statements, any loan application and all additional information, representations, exhibits and other matters submitted by the District or the Placement Agent that were authorized and approved by the District, on behalf of the District, to the Lender for its consideration.

(e) Subject to Section 5 hereof, the District represents and warrants that the negotiated sale requirements of Section 218.385, Florida Statutes, have been or will be fully satisfied on or before the issuance of the Bonds.

5. **Section 218.385, Florida Statutes.** On or before the purchase of the Bonds, the Lender has provided the District with the disclosure and truth-in-bonding statements required by and in accordance with, Section 218.385, Florida Statutes, as amended and supplemented. The above-referenced statements are attached to this Agreement as Schedule A.

6. **Anti-Human Trafficking Affidavit.** Pursuant to Section 787.06, Florida Statutes, the Lender shall provide the affidavit to the District in substantially the form attached hereto as Exhibit 1.

7. **Fees and Expenses.** As between the District and the Placement Agent and the Lender, the Lender shall not be liable for any expenses incurred by the District or Placement Agent in connection with the issuance and private placement of the Bonds. The Lender represents to the District that it has not employed or used the services of any attorney or other professional in connection with the Lender's negotiations with the District and the purchase of the Bonds other than the law firm of Holland & Knight LLP, acting as counsel to the Lender. In the event of a default by the District in the payment of the Bonds, the District shall pay the Lender's reasonable attorneys' fees, court costs and other related collection expenses whether or not there is a lawsuit, including reasonable attorneys' fees and legal expenses for appeals, and any anticipated post-judgment collection services, in addition to all other sums provided by law.

8. **Effectiveness.** This Agreement shall become effective upon the execution by the appropriate officials of the District and the Lender.

9. **Headings.** The headings set forth in this Agreement are inserted for convenience of reference only and shall not define or limit any of the terms or provisions hereof and shall not be deemed to be a part hereof.

10. **Amendment.** No modification, alteration or amendment to this Agreement shall be binding upon any party until such modification, alternation or amendment is reduced to writing and executed by all parties hereto.

11. **Governing Law.** The laws of the State of Florida shall govern this Agreement.

12. **Counterparts.** This Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were signatories upon the same instrument.

13. **Severability; Survival.** Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by applicable law, the District hereby waives any provision of law which renders any provision hereof prohibited or unenforceable in any respect.

IN WITNESS WHEREOF, the Lender and the District have caused this Agreement to be executed by its respective duly authorized officers all as of the date hereof.

Bonds executed as above provided may be issued and shall, upon request of the Issuer, be authenticated by the Trustee, notwithstanding that one or both of the officers of the Issuer whose signatures appear on such Bonds shall have ceased to hold office at the time of issuance or authentication or shall not have held office at the date of the Bonds.

SECTION 2.03. Authentication; Authenticating Agent. No Bond shall be valid until the certificate of authentication shall have been duly executed by the Trustee, as Authenticating Agent, and such authentication shall be proof that the Bondholder is entitled to the benefit of the trust hereby created. The Trustee shall at all times serve as Authenticating Agent.

SECTION 2.04. Registration and Registrar. The Trustee is hereby constituted and appointed as the Registrar for the Bonds. The Registrar shall act as registrar and transfer agent for the Bonds. The Issuer shall cause to be kept at an office of the Registrar a register (herein sometimes referred to as the “Bond Register” or “Register”) in which, subject to the provisions set forth in Section 2.07 below and such other regulations as the Issuer and Registrar may prescribe, the Issuer shall provide for the registration of the Bonds and for the registration of transfers and exchanges of such Bonds. The Trustee shall notify the Issuer in writing of the specific office location (which may be changed from time to time, upon similar notification) at which the Bond Register is kept. Upon initial issuance, the ownership of the Bonds shall be registered on the Bond Register in the name of the Lender or as the Lender so directs.

The Bonds shall be initially sold and subsequently transferred only to purchasers that execute and deliver to the Issuer a Lender Letter in substantially the form attached hereto as Exhibit D. Notwithstanding the preceding sentence or the content of the initial form of the Lender Letter attached hereto as Exhibit D, no Lender Letter shall be required for the Lender to transfer Bonds to a Qualified Institutional Buyer as defined in Rule 144A of the Securities Act (a “QIB”) or to any affiliate or other party related to the Lender. Every Bond presented or surrendered for transfer or exchange shall contain, or be accompanied by, all necessary endorsements for transfer. If applicable, the transferee shall certify in writing to the Trustee that the transferee is a QIB.

SECTION 2.05. Mutilated, Destroyed, Lost or Stolen Bonds. If any Bond shall become mutilated, the Issuer shall execute and the Authenticating Agent shall thereupon authenticate and deliver a new Bond of like tenor and denomination in exchange and substitution for the Bond so mutilated, but only upon surrender to the Authenticating Agent of such mutilated Bond for cancellation, and the Issuer and the Trustee may require reasonable indemnity therefor. If any Bond shall be reported lost, stolen or destroyed, evidence as to the ownership and the loss, theft or destruction thereof shall be submitted to the Issuer and the Trustee, and if such evidence shall be satisfactory to both and indemnity satisfactory to both shall be given, the Issuer shall execute, and thereupon the Authenticating Agent shall authenticate and deliver a new Bond of like tenor and denomination. The cost of providing any substitute Bond under the provisions of this Section shall be borne by the Bondholder for whose benefit such substitute Bond is provided. If any such mutilated, lost, stolen or destroyed Bond shall have matured or be about to mature, the Issuer may, with the consent of the Trustee, pay to the Owner the principal amount of and accrued interest on such Bond upon the maturity thereof and compliance with the aforesaid conditions by such Owner, without the issuance of a substitute Bond therefor.

Every substituted Bond issued pursuant to this Section 2.05 shall constitute an additional contractual obligation of the Issuer, whether or not the Bond alleged to have been destroyed, lost or stolen shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Bonds duly issued hereunder.

All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies with respect to the replacement or payment of negotiable instruments, investments or other securities without their surrender.

SECTION 2.06. Cancellation and Destruction of Surrendered Bonds. All Bonds surrendered for payment or redemption and all Bonds surrendered for exchange shall, at the time of such payment, redemption or exchange, be promptly transferred by the Registrar, Paying Agent or Authenticating Agent to, and cancelled and destroyed by, the Trustee. The Trustee shall, upon the request of the Issuer, deliver to the Issuer a certificate of destruction in respect of all Bonds destroyed in accordance with this Section.

SECTION 2.07. Registration, Transfer and Exchange. As provided in Section 2.04 hereof, the Issuer shall cause a Bond Register in respect of the Bonds to be kept at the designated office of the Registrar.

Upon surrender for requisition of transfer of any Bond at the designated office of the Registrar, and upon compliance with the conditions for the transfer of Bonds set forth in this Section 2.07, the Issuer shall execute and the Authenticating Agent shall authenticate and deliver, in the name of the designated transferees, one or more new Bonds of a like aggregate principal amount and of the same maturity.

At the option of the Bondholder, Bonds may be exchanged for other Bonds of a like aggregate principal amount and of the same maturity, upon surrender of the Bonds to be exchanged at any such office or agency. Whenever any Bonds are so surrendered for exchange, the Issuer

shall execute and the Authenticating Agent shall authenticate and deliver the Bonds which the Bondholder making the exchange is entitled to receive.

All Bonds issued upon any transfer or exchange of Bonds shall be valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under this Indenture as the Bonds surrendered upon such transfer or exchange.

Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, duly executed by the Bondholder or his attorney duly authorized in writing.

Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds (other than any governmental charge of the Issuer).

Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue, transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

SECTION 2.08. Persons Deemed Owners. The Issuer, the Trustee, any Paying Agent, the Registrar, or the Authenticating Agent shall deem and treat the person in whose name any Bond is registered as the absolute Owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, any Paying Agent, the Registrar or the Authenticating Agent) for the purpose of receiving payment of or on account of the principal or Redemption Price of and interest on such Bond, and for all other purposes, and the Issuer, the Trustee, any Paying Agent, the Registrar and the Authenticating Agent shall not be affected by any notice to the contrary. All such payments so made to any such Owner, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Bond.

SECTION 2.09. Limitation on Incurrence of Certain Indebtedness. The Issuer will not issue Bonds, except upon the conditions and in the manner provided or as otherwise permitted in this Indenture.

SECTION 2.10. Adjustments to Interest Rate. If there is a Determination of Taxability, the Bonds shall bear interest retroactively from the Taxable Date at a rate per annum equal to the Taxable Rate. Upon an occurrence of a Determination of Taxability, the Issuer hereby agrees to pay to the Owner (i) an additional amount equal to the difference between (A) the amount of interest actually paid to the Owner (or former Owner) on the Bonds during the Determination of Taxability Period and (B) the amount of interest that would have been paid to the Owner (or former Owner) on the Bonds during the Determination of Taxability Period had the Bonds borne interest at the Taxable Rate, beginning on the Taxable Date, plus (ii) an amount equal to any interest, charges, penalties on overdue interest and additions to tax (as referred to in Subchapter A

of Chapter 68 of the Code) owed by the Owner (or former Owner) as a result of the occurrence of a Determination of Taxability. Payment of such amounts shall survive payment on the Bonds.

Upon the occurrence and continuance of an Event of Default described in Section 8.02 hereof, the Bonds shall bear interest at the Default Rate. In the event the Issuer cures any Event of Default under Section 8.02 hereof, the interest rate on the Bonds shall return to the applicable Interest Rate.

The Issuer shall pay to the Lender, within sixty (60) days after demand, such amounts as shall provide to the Lender the same rate of return on the Bonds that the Lender would have realized had there been no Loss of Bank Qualified Status. This adjustment shall survive payment of the Bonds until such time as the federal statute of limitations under which the Bonds could be declared not to be a qualified tax-exempt obligation under Section 265(b)(3) of the Code.

The Owner shall advise the Trustee and the Issuer in writing within a reasonable time in good faith what amounts, if any, are owing as a result of an Adjustment Event as described herein. The determination of the Owner as to such amounts owed shall be conclusive absent manifest error and the Trustee may conclusively rely upon such determination and amounts owed by the Owner without the duty to verify the accuracy of such information. Such additional amounts shall be paid by the Issuer within thirty (30) days after the date of such notice from the Owner. In no event, however, shall the interest rate applicable to any of the amounts payable on the Bonds, together with all fees, charges, and other amounts which may be treated as interest with respect thereto under applicable law, exceed the maximum rate permitted by law.

The Trustee may assume the Bonds accrue interest at the tax-exempt rate absent written notice to the contrary from the Owner or the Issuer.

SECTION 3.01. Issue of Bonds. Subject to the provisions of Section 2.01 hereof, the Issuer shall issue the Bonds for the purpose of effecting the Refunding, or to issue special assessment bonds to refund all or a portion of such Bonds, and to pay the costs of the issuance of Bonds and to pay the amounts required to be deposited with respect to such Bonds in the Funds and Accounts established under this Indenture. In addition to any deliverables required upon the execution and delivery of the Bond Placement Agreement, in connection with the issuance of the Bonds, the Trustee shall, at the request of the Issuer, authenticate the Bonds and deliver or cause them to be authenticated and delivered, as specified in the request, but only upon receipt of:

thereof may be affected by bankruptcy, reorganization, insolvency; moratorium and other similar laws relating to creditors' rights generally and subject to equitable principles, whether in a proceeding at law or in equity, (h) the issuance of the Bonds has been duly authorized and approved by the Board; (i) there is no litigation or other action pending or to the best knowledge of Counsel to the Issuer threatened against the Issuer that would adversely affect the transactions contemplated by the Indenture including: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Series 2025 Special Assessments or the Pledged Revenues pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Series 2025 Special Assessments, the authority for the issuance of the Bond or the validity or enforceability of the Bonds and the Indenture, or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the Issuer or any of its officers or employees, or contesting or affecting any of the powers of the Issuer including its power to enter into the Indenture, or its power to determine, assess, levy, collect and pledge the Series 2025 Special Assessments for the payment of the debt service on the Bonds; (d) specifically contesting the exclusion from federal gross income of interest on the Bonds or (e) which may result in any material adverse change in the business, property, assets or financial condition of the Issuer or materially impair the ability of the Issuer to perform its obligations under the Bonds, the Bond Resolution, the Bond Placement Agreement, the Assessment Resolutions or the Indenture. (j) the Series 2007 Bonds and the Series 2007 Project were validated in accordance with Chapter 75, Florida Statutes, and as a result the Bonds are not required to be separately validated, and (k) the Bond Resolution and Assessment Resolutions have each been duly adopted and are in full force and effect;

The Issuer shall notify the Trustee and the Owner in writing at the time of deposit of any amounts received as Prepayments of Series 2025 Special Assessments.

SECTION 4.02. Funds and Accounts Relating to the Bonds. The Funds and Accounts specified in this Article IV shall be established under this Indenture for the benefit of the owners of the Bonds issued pursuant to the terms hereof. All moneys, including, without limitation, proceeds of the Bonds on deposit to the credit of the Funds and Accounts established hereunder (except for moneys transferred to the Cost of Issuance Fund, the Rebate Fund and investment earnings thereon) shall be pledged to the payment of the principal, Redemption Price of, and interest on the Bonds issued hereunder.

SECTION 4.03. Revenue Fund. The Trustee is hereby authorized and directed to establish a Revenue Fund, into which the Trustee shall immediately deposit any and all Series 2025 Special Assessments (other than Prepayments of the Series 2025 Special Assessment which the Issuer shall identify as such and communicate the same to the Trustee). The Revenue Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under this Indenture and from all other moneys of the Trustee. The Trustee shall transfer from amounts on deposit in the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, no later than the Business Day preceding each November 1, commencing November 1, 2025, and no later than the Business Day next preceding each November 1 thereafter while the Bonds issued under this Indenture remain Outstanding, to the Interest Account of the Debt Service Fund, an amount equal to the interest on the Bonds becoming

due on the next succeeding November 1, less any amount on deposit in the Interest Account not previously credited;

SECOND, no later than the Business Day preceding each May 1 commencing May 1, 2026, and no later than the Business Day next preceding each May 1 thereafter while the Bonds issued under this Indenture remain Outstanding, to the Interest Account of the Debt Service Fund, an amount equal to the interest on the Bonds becoming due on the next succeeding May 1, less any amount on deposit in the Interest Account not previously credited;

FIFTH, any costs associated with a Determination of Taxability payable to the Lender or the payment of any Late Fee to the Lender; and

After all deposits are made pursuant to this Section 4.03, any balance on deposit in the Revenue Fund after November 2 of any calendar year commencing November 2, 2025 shall be transferred to the Issuer to be used for any lawful purpose.

SECTION 4.04. Debt Service Fund. The Trustee is hereby authorized and directed to establish a Debt Service Fund which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under this Indenture and from all other moneys of the Trustee. The Trustee is hereby authorized and directed to establish within the Debt Service Fund, a Principal Account, an Interest Account and a Sinking Fund Account for the Bonds, which Accounts shall be separate and apart from all other Funds and Accounts established under this Indenture and from all other moneys of the Trustee.

The Trustee at all times shall make available to any Paying Agent the funds in the Principal Account and the Interest Account of the Debt Service Fund to pay the principal of the Bonds as they mature and the interest on the Bonds as it becomes payable, respectively. When the Bonds

are redeemed, the amount, if any, in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Sinking Fund Account in the Debt Service Fund for the mandatory sinking fund redemption of the Bonds in the amounts and maturities set forth herein.

The Trustee shall apply the amounts required to be transferred to the Sinking Fund Account on the mandatory sinking fund redemption date in each of the years set forth herein to the redemption of Bonds in the amounts, manner and maturities and on the dates set forth herein, at a Redemption Price of 100% of the principal amount thereof.

SECTION 4.05. [RESERVED].

SECTION 4.06. Bond Redemption Fund. The Trustee is hereby authorized and directed to establish a Bond Redemption Fund for the Bonds issued hereunder and therein a Prepayment Account and a General Account into which shall be deposited, moneys in the amounts and at the times provided in Sections 4.01 and 7.08(b) of this Indenture in the case of Prepayments to be deposited into the Prepayment Account and to the General Account in the event the Issuer elects to optionally redeem the Bonds pursuant to Section 6.01(a). The Bond Redemption Fund and the Accounts therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under this Indenture and from all other moneys of the Trustee. All earnings on investments held in the Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in the Bond Redemption Fund (including all earnings on investments held in the Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, to the extent transfers from the Revenue Fund pursuant to paragraph SIXTH of Section 4.03 are insufficient, from the General Account of the Bond Redemption Fund, to make such deposits, if any, into the Rebate Fund as the Issuer may direct in accordance with an Arbitrage Certificate, such moneys thereupon to be used solely for the purposes specified in said Arbitrage Certificate; and any moneys so transferred from the Bond Redemption Fund to the Rebate Fund shall thereupon be free from the lien and pledge of this Indenture; and

SECOND, from the General Account of the Bond Redemption Fund, to be used to call for optional redemption pursuant to Section 6.01(a) hereof or from only the Prepayment Account of the Bond Redemption Fund for extraordinary mandatory redemption pursuant to Section 6.01(b) hereof an amount of Bonds equal to the amount of money transferred to the applicable Account of the Bond Redemption Fund for the purpose of such optional redemption or extraordinary mandatory redemption on the dates and at the prices provided in Section 6.01(a) or (b) hereof, as the case may be.

Any such redemption shall be made in accordance with the provisions of Article VI of this Indenture. The Issuer shall pay all expenses in connection with such redemption.

SECTION 4.07. Procedure When Funds Are Sufficient to Pay All Bonds. If at any time the moneys held by the Trustee in the Funds and Accounts hereunder and available therefor are sufficient to pay the principal or Redemption Price of, as the case may be, and interest on all Bonds then Outstanding to maturity or prior redemption, together with any amounts due the Issuer, the Trustee, Paying Agent, Registrar, the Trustee, at the direction of the Issuer, shall apply the amounts in the Funds and Accounts to the payment of the aforesaid obligations and the Issuer shall not be required to pay over any further Pledged Revenues with respect to such Bonds unless and until it shall appear that there is a deficiency in the Funds and Accounts held by the Trustee.

SECTION 4.08. Unclaimed Moneys. In the event any Bond shall not be presented for payment when the principal of such Bond becomes due, to the extent required herein, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed for three (3) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the knowledge of the Trustee in default with respect to any covenant in this Indenture or the Bonds contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Trustee, before making payment to the Issuer, may, at the written direction and expense of the Issuer, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

SECTION 4.09. Deposits Into And Application of Moneys In The Rebate Fund.

(a) The Trustee is hereby authorized and directed to establish a Rebate Fund. There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Arbitrage Certificate. Subject to the payment provisions provided in subsection (b) below, all amounts on deposit at any time in the Rebate Fund shall be held by the Trustee in trust, to the extent required to pay arbitrage rebate to the United States of America, and neither the Issuer, the Trustee nor the Owner of any Bonds shall have any rights in or claim to such money. All amounts held in the Rebate Fund shall be governed by this Section and the Arbitrage Certificate. The Trustee shall be entitled to rely on the rebate calculations obtained from the rebate analyst retained by the Issuer pursuant to the Arbitrage Certificate and the Trustee shall not be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken in reliance upon such calculations.

(b) Pursuant to the Arbitrage Certificate, the Trustee shall remit all rebate installments and a final rebate payment to the United States. The Trustee shall have no obligation to pay any amounts required to be rebated pursuant to this Section and the Arbitrage Certificate, other than at the direction of the Issuer and from moneys held in the Rebate Fund or from other moneys provided to it by the Issuer. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any arbitrage rebate shall be withdrawn and paid to the Issuer.

(c) Notwithstanding any other provision of this Indenture, including in particular Article XII hereof, the obligation to pay arbitrage rebate to the United States and to

comply with all other requirements of this Section and the Arbitrage Certificate shall survive the defeasance or payment in full of the Bonds.

(d) The Trustee shall not be deemed to have constructive knowledge of the Code or regulations, rulings and judicial decisions concerning the Code.

SECTION 4.10. Deposits Into and Application of Moneys in the Costs of Issuance Fund. The Trustee is hereby authorized and directed to establish a temporary fund called the Costs of Issuance Fund into which the Trustee shall deposit a portion of the gross proceeds of the Bonds in the amount described in Section 3.02(c) hereof. The Trustee is authorized to apply such moneys upon the presentment of a requisition signed by a Responsible Officer with the invoices of the payees attached. The Trustee may conclusively rely on such signed requisition. Upon the disbursement of all moneys on deposit in the Costs of Issuance Fund, the Trustee is authorized to close the Costs of Issuance Fund. If after six (6) months from the date of issue of the Bonds there are any funds remaining in the Costs of Issuance Fund, such moneys shall be transferred to the Revenue Fund to be applied in accordance with Section 4.03 hereof and the Trustee shall be authorized to close the Costs of Issuance Fund. Moneys on deposit in the Costs of Issuance Fund shall not be part of the trust estate established by the Bonds and will not constitute Pledged Revenues.

ARTICLE V
SECURITY FOR AND INVESTMENT OR DEPOSIT OF FUNDS

SECTION 5.01. Deposits and Security Therefor. All moneys received by the Trustee for deposit in any Fund or Account, except the Rebate Fund and Costs of Issuance Fund, established under this Indenture shall be considered trust funds, shall not be subject to lien or attachment, except for the lien created by this Indenture, and shall be deposited with the Trustee, until or unless invested or deposited as provided in Section 5.02 hereof. All deposits of moneys received by the Trustee under this Indenture (whether original deposits under this Section 5.01 or deposits or redeposits in time accounts under Section 5.02) shall, to the extent not insured unless such deposit is of the type described in (c) of the definition of Investment Securities, and to the extent permitted by law, be fully secured as to both principal and interest earned, by Investment Securities. If at any time the Trustee is unwilling to accept such deposits or unable to secure them as provided above, the Trustee may deposit such moneys with any other depository which is authorized to receive them and the deposits of which are insured by the Federal Deposit Insurance Corporation (including the FDIC Savings Association Insurance Fund). Such security shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000.

SECTION 5.02. Investment or Deposit of Funds. The Trustee shall, as directed by the Issuer in writing, invest any moneys held in the Funds and Accounts established herein in Investment Securities, as directed in writing by the Issuer. The Trustee shall have no liability for any losses or delays in liquidating any investments. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, any interest and other income so received shall be deposited in the Revenue Fund. Upon request of the Issuer, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof, except as provided hereinafter. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the Revenue Fund.

Absent specific written instructions from the Issuer, as aforesaid, all moneys in the Funds and Accounts established under this Indenture shall be held uninvested. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the Issuer or otherwise, including that set forth in the first sentence of this paragraph.

SECTION 5.03. Valuation of Funds. The Trustee shall value the assets in each of the Funds and Accounts established hereunder forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the Issuer and the Lender a report of the status of each Fund and Account as of the valuation date. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof, subject to the provisions of Section 5.02 hereof. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder.

ARTICLE VI
REDEMPTION OF BONDS

SECTION 6.01. Redemption Dates and Prices. The Bonds may be made subject to optional, mandatory and extraordinary redemption, either in whole or in part, by the Issuer, prior to maturity in the amounts, at the times and in the manner provided in this Article VI.

(a) *Optional Redemption.* The Bonds are subject to optional redemption at the option of the Issuer, in whole or in part, on any date on or after September 1, 2030 at a Redemption Price of 100% of the principal amount of the Outstanding Bonds to be redeemed, plus accrued interest to the redemption date, upon receipt by the Trustee not less than thirty-five (35) days or more than forty-five (45) days prior to such redemption date of a written direction from the Issuer stating that it intends to effect redemption of such Bonds on a date certain.

(b) *Extraordinary Mandatory Redemption in Whole or in Part.* The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any Interest Payment Date, at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, from moneys deposited into the Prepayment Account of the Bond Redemption Fund following the Prepayment of Series 2025 Special Assessments on any portion of the District Lands in accordance with Section 7.08(a) hereof. On each March 15 and September 15, the Trustee shall determine the amount on deposit in the Prepayment Account of the Bond Redemption Fund and shall transfer from the Revenue Fund (to the extent not needed to satisfy the current Debt Service Requirements for the Bonds) for deposit in the Prepayment Account of the Bond Redemption Fund an amount sufficient to increase the amount on deposit therein to an integral multiple of \$1,000 and, in each case, shall thereupon give notice and cause the extraordinary mandatory redemption of Bonds on any date with respect to Bonds subject to extraordinary mandatory redemption in whole, or, with respect to Bonds subject to extraordinary mandatory redemption in part, on the next possible redemption date which is an Interest Payment Date (taking into account the notice of redemption to be provided therefor) in the maximum aggregate principal amount for which moneys are then on deposit in the Prepayment Account of the Bond Redemption Fund in accordance with the provisions for extraordinary mandatory redemption of Bonds. The Bonds are also subject to extraordinary mandatory redemption in whole or in part pursuant to Section 7.32 hereof from all available moneys on deposit with the Trustee and any other available moneys provided by the Issuer.

(c) *Mandatory Sinking Fund Redemption.* The Bonds are subject to mandatory sinking fund redemption on May 1 in the years and in the principal amounts set forth in the following table, at a Redemption Price of 100% of the principal amount thereof plus accrued interest to the redemption date. The outstanding balance of the Bonds shall be due and payable on May 1, 2038.

*Final Maturity

In connection with such mandatory sinking fund redemption of Bonds, amounts shall be transferred from the Revenue Fund to the Sinking Fund Account of the Debt Service Fund, all as more particularly described in Section 4.03 hereof.

Upon any redemption of Bonds other than in accordance with scheduled mandatory sinking fund payments, the Issuer shall promptly cause to be recalculated and delivered to the Lender and the Trustee revised mandatory sinking fund payments recalculated so as to amortize the Outstanding principal amount of such Bonds in substantially equal annual installments of principal and interest (except for the last maturity which will represent the Outstanding balance of the Bonds) (subject to rounding to an amount of principal for each installment being devisable by \$1,000) over the remaining term of such Bonds. The mandatory sinking fund payments as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund payments for any of such Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund payment is due, the foregoing recalculation shall not be made to mandatory sinking fund payments due in the Fiscal Year in which such redemption occurs, but shall be made to mandatory sinking fund payments for the immediately succeeding and subsequent Fiscal Years. The Trustee shall have no duty to revise or verify any recalculation of the mandatory sinking fund payments.

SECTION 6.02. Notice of Redemption. When required to redeem the Bonds under any provision of this Indenture or directed to do so by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed at least thirty (30) days prior to the redemption date to all Owners of Bonds to be redeemed (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds Outstanding which shall be called for redemption and shall include, without limitation, the following additional information:

- (a) the redemption date;

(b) the Redemption Price;

(c) except as otherwise provided in Section 2.01 hereof when the Lender is the registered owner of the Bonds, that on a redemption or date when the Bonds are being redeemed in whole the Redemption Price will become due and payable without surrender of the Bonds called for redemption, and that interest thereon shall cease to accrue from and after said date; and

(d) if the Lender is not the owner of 100% of the Bonds, the place where such Bonds are to be surrendered for payment of the Redemption Price shall be the designated corporate trust office of the Trustee.

If at the time of mailing of notice of an optional redemption, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem all the Bonds called for redemption, such notice shall state that it is subject to the deposit of the redemption moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

The Trustee shall not be required to give notice of redemption with respect to any mandatory sinking fund redemption pursuant to Section 6.01(c) hereof.

SECTION 6.03. Payment of Redemption Price. If any required (a) unconditional notice of redemption has been duly mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by this Indenture and shall not be deemed to be Outstanding under the provisions of this Indenture.

Subject to the terms and provisions of Section 2.01 hereof, payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption. The Redemption Price of the Bonds to be redeemed, the expenses of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer.

END OF ARTICLE VI

**ARTICLE VII
COVENANTS OF THE ISSUER**

SECTION 7.01. Power to Issue Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Bonds, to adopt and execute this Indenture, to defease and refund the Refunded Bonds, and to pledge the Pledged Revenues for the benefit of the Bonds. The Pledged Revenues are not and shall not be subject to, nor shall the Issuer create or permit to be created on the Pledged Revenues, any other lien senior to or on a parity with or subordinate to the lien created in favor of the Bonds. The Prior 2007 Indenture is superseded by this Indenture, and, from and after the date hereof, the Issuer shall not issue any bonds pursuant to the Prior 2007 Indenture. The Bonds and the provisions of this Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by this Indenture and all the rights of the Bondholders under this Indenture against all claims and demands of all other Persons whomsoever.

SECTION 7.02. Payment of Principal and Interest on Bonds. The payment of the principal or Redemption Price of and interest on all of the Bonds issued under this Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds authorized by this Indenture and all other amounts owing hereunder are hereby irrevocably pledged to the payment of the principal or Redemption Price of and interest on the Bonds authorized under this Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THIS INDENTURE AND THE OBLIGATION EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, THE SERIES 2007 PROJECT OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THIS INDENTURE. NOTHING IN THE BONDS AUTHORIZED UNDER THIS INDENTURE OR IN THIS INDENTURE SHALL BE CONSTRUED AS OBLIGATING THE ISSUER TO PAY THE BONDS OR THE REDEMPTION PRICE THEREOF OR THE INTEREST THEREON EXCEPT FROM THE PLEDGED REVENUES, OR AS PLEDGING THE FAITH AND CREDIT OF THE ISSUER, THE CITY, THE COUNTY, OR THE STATE OR ANY POLITICAL SUBDIVISION THEREOF, OR AS OBLIGATING THE ISSUER, THE CITY, THE COUNTY, OR THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, DIRECTLY OR INDIRECTLY OR CONTINGENTLY, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR.

SECTION 7.03. Series 2025 Special Assessments; Re-Assessments.

(a) The Issuer shall levy the Series 2025 Special Assessments, and evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same

on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 7.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds.

(b) If any Series 2025 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Series 2025 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Series 2025 Special Assessment when it might have done so, the Issuer shall either (i) take all necessary steps to cause a new Series 2025 Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Series 2025 Special Assessment from any legally available moneys, which moneys shall be deposited into the Revenue Fund. In case such second Series 2025 Special Assessment shall be annulled, the Issuer shall obtain and make other Series 2025 Special Assessments until a valid Series 2025 Special Assessment shall be made.

SECTION 7.04. Method of Collection. Series 2025 Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. The Issuer shall use the uniform method for the levy, collection and enforcement of Series 2025 Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto (the “Uniform Method”), and to do all things necessary to continue to use the Uniform Method or a comparable alternative method afforded by Section 197.3631, Florida Statutes, unless such method is not available. The Issuer shall enter into or maintain in effect one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the “Property Appraiser and Tax Collector Agreement”) in order to effectuate the provisions of this Section. The Issuer shall use its best efforts to ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under this Indenture. To the extent that the Issuer is not able to collect Series 2025 Special Assessments pursuant to the Uniform Method, the Issuer may elect to collect and enforce Series 2025 Special Assessments pursuant to any available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto. Except as otherwise provided above, the election to collect and enforce Series 2025 Special Assessments in any year pursuant to any one method shall not, unless prohibited by law, preclude the Issuer from electing to collect and enforce Series 2025 Special Assessments pursuant to any other method permitted by law in any subsequent year.

SECTION 7.05. Delinquent Series 2025 Special Assessments. Subject to the provisions of Section 7.04 hereof, if the owner of any lot or parcel of land subject to the Series 2025 Special Assessment shall be delinquent in the payment of any Series 2025 Special Assessment, then such Series 2025 Special Assessment shall be enforced pursuant to the provisions of Chapter 197, Florida Statutes, or any successor statute thereto, including but not limited to the sale of tax certificates and tax deeds as regards such delinquent Series 2025 Special Assessment. In the event the provisions of Chapter 197, Florida Statutes, and any provisions of the Act with respect to such sale are inapplicable by operation of law, then upon the delinquency of any Series 2025 Special Assessment the Issuer shall, to the extent permitted by law, utilize any

other method of enforcement as provided by Section 7.04 hereof, including, without limitation, declaring the entire unpaid balance of such Series 2025 Special Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed, pursuant to the provisions of Section 170.10, Florida Statutes, in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapter 173, Florida Statutes, and Sections 190.026 and 170.10, Florida Statutes, or otherwise as provided by law.

SECTION 7.06. Sale of Tax Certificates and Issuance of Tax Deeds; Foreclosure of Special Assessment Liens. If the Series 2025 Special Assessments levied and collected under the Uniform Method described in Section 7.04 are delinquent, then the applicable procedures for issuance and sale of tax certificates and tax deeds for nonpayment shall be followed in accordance with Chapter 197, Florida Statutes and related statutes. Alternatively, if the Uniform Method is not utilized, and if any property shall be offered for sale for the nonpayment of any Special Assessment, and no person or persons shall purchase the same for an amount at least equal to the full amount due on the Series 2025 Special Assessment (principal, interest, penalties and costs, plus attorney's fees, if any), the property may then be purchased by the Issuer for an amount equal to the balance due on the Series 2025 Special Assessment (principal, interest, penalties and costs, plus attorney's fees, if any), and the Issuer shall thereupon receive in its corporate name or in the name of a special purpose entity acting on behalf of the Issuer or the Trustee, the title to the property for the benefit of the Owners. The Issuer, either through its own actions or actions caused to be done through the Trustee, shall have the power and shall use its best efforts to lease or sell such property and deposit all of the net proceeds of any such lease or sale into the Revenue Fund. Not less than ten (10) days prior to the filing of any foreclosure action or any sale of tax deed as herein provided, the Issuer shall cause written notice thereof to be mailed to the Owners of the Bonds secured by such delinquent Series 2025 Special Assessments. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the Issuer, it shall give written notice thereof to such Owners. The Issuer, either through its own actions or actions caused to be done through the Trustee, agrees that it shall be required to take the measure provided by law for sale of property acquired by it as trustee for the Owners within thirty (30) days after the receipt of a request therefor signed by the Lender.

SECTION 7.07. Books and Records with Respect to Series 2025 Special Assessments. In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 7.17 hereof, the Issuer shall keep books and records for the collection of the Series 2025 Special Assessments on the District Lands, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings. A signed copy of such report shall be furnished to the Lender and the Trustee (solely as a repository of such information) as soon as practicable after such audit shall become available but in no event later than sixty (60) days following the end of the Fiscal Year and shall, upon written request, be mailed to any Owner.

SECTION 7.08. Removal of Series 2025 Special Assessment Liens; Prepayments. The following procedures shall apply in connection with the removal of Series 2025 Special Assessment liens and the receipt of Prepayments.

(a) Any owner of property subject to the Series 2025 Special Assessments may, at its option, require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Series 2025 Special Assessments by paying to the Issuer the entire amount of the Series 2025 Special Assessment, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to Series 2025 Special Assessment owned by such owner.

(b) Upon receipt of a Prepayment as described in (a) above, the Issuer shall immediately pay the amount so received to the Trustee along with written notice directing the Trustee to redeem Bonds on the earliest date the Bonds may be redeemed and the Issuer shall take such action as is necessary to record in the official records of the County evidence to the effect that the Series 2025 Special Assessment has been paid and that such Series 2025 Special Assessment lien is thereby released and extinguished. Upon receipt of any such moneys and direction from the Issuer, the Trustee shall immediately deposit the same into the Prepayment Account of the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 6.01(b) hereof and cause the redemption of Bonds as provided in such direction.

SECTION 7.09. Deposit of Series 2025 Special Assessments. The Issuer covenants to cause any Series 2025 Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the Revenue Fund (except that amounts received as Prepayments of Series 2025 Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the Prepayment Account of the Bond Redemption Fund upon receipt by the Issuer).

SECTION 7.10. Construction to be on Issuer Lands. The Issuer covenants that no part of any capital project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of such capital project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

SECTION 7.11. Maintenance of the Series 2007 Project. The Issuer shall maintain the Series 2007 Project owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations. The Issuer shall maintain the Series 2007 Project owned by the Issuer in an efficient and economical manner, shall at all times maintain the same in good repair and in sound operating condition and shall make all necessary repairs, renewals and replacements.

SECTION 7.12. Observance of and Compliance with Valid Requirements. The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon the Series 2007 Project or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to the Series 2007 Project. The Issuer shall not create or suffer to be created any

lien or charge upon the Series 2007 Project or upon the Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

SECTION 7.13. Payment of Operating or Maintenance Costs by State or Others. The Issuer may permit the United States of America, the State, or any of their agencies, departments or political subdivisions to pay all or any part of the cost of maintaining, repairing and operating the Series 2007 Project out of funds other than Pledged Revenues.

SECTION 7.14. Public Liability and Property Damage Insurance; Maintenance of Insurance; Use of Insurance and Condemnation Proceeds.

(a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of the Series 2007 Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth hereinbelow.

(b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of the Series 2007 Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations which are to be provided in an annual report, as required by Section 7.21 hereof. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to the Series 2007 Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to the Series 2007 Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than "A" as to management and Class "V" as to financial strength; provided, however, that if, in the opinion of the District Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with this Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

(c) All proceeds received by the Issuer from property damage or destruction insurance and all proceeds received from the condemnation of the Series 2007 Project or any part thereof are hereby pledged by the Issuer as security for the Bonds and shall be, with the written consent of the Lender, used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds.

(d) The Issuer, with the written consent of the Lender, shall be entitled to provide all or a portion of the insurance coverage required by subsections (a) and (b) of this Section through Qualified Self Insurance, provided that the requirements hereinafter set forth in this subsection (d) are satisfied. "Qualified Self Insurance" means insurance maintained through a program of self-insurance or insurance maintained with a company or association in which the Issuer has a material interest or of which the Issuer has control, either singly or with others.

Prior to participation in any plan of Qualified Self Insurance not currently in effect, the Issuer shall deliver to the Lender (i) a copy of the proposed plan, and (ii) from the District Manager, an evaluation of the proposed plan together with an opinion to the effect that (A) the proposed Qualified Self Insurance plan will provide the coverage required by subsections (a) and (b) of this Section, and (B) the proposed Qualified Self Insurance plan provides for the creation of actuarially sound reserves.

Each plan of Qualified Self Insurance shall be in written form, shall provide that upon the termination of such plan reserves will be established or insurance acquired in amounts adequate to cover any potential retained liability in respect of the period of self-insurance, and shall be reviewed annually by the District Manager or registered actuary who shall deliver to the Issuer a report on the adequacy of the reserves established thereunder in light of claims made. If the District Manager or registered actuary determines that such reserves are inadequate in light of the claims made, he shall make recommendations as to the amount of reserves that should be established and maintained, and the Issuer shall comply with such recommendations unless it can establish to the satisfaction of the Lender that such recommendations are unreasonable in light of the nature of the claims or the history of recovery against the Issuer for similar claims. A copy of each Qualified Self Insurance plan and of each annual report thereon shall be delivered to the Trustee and the Lender.

(e) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager and the Lender.

Within the first six (6) months of each Fiscal Year the District Manager shall file with the Lender, or if the Lender is not the Owner of the Bonds, the other owners of the Bonds, a complete report of the status of the insurance coverages relating to the Series 2007 Project or any portion thereof, such report to include, without being limited thereto, a schedule of all insurance policies required by this Indenture which is then in effect, stating with respect to each policy the name of the insurer, the amount, number and expiration date, and the hazards and the risks covered thereby. The Trustee shall have no duty to require the filing of such documents or to determine compliance by the Issuer with the requirements of this Section.

SECTION 7.15. Collection of Insurance Proceeds. Copies of all insurance policies referred to in Section 7.14 of this Article shall be available at the offices of the Issuer at all reasonable times to the inspection of the Holders of \$500,000 or more in aggregate principal amount of the Bonds (or the Holders of all the Bonds, if less than \$500,000 in principal amount of Bonds are Outstanding) and their agents and representatives duly authorized in writing. The Issuer covenants that it will take such action as may be necessary to demand, collect and sue for any insurance money which may become due and payable under any policy of insurance required under

this Indenture, whether such policy is payable to the Issuer or to the Trustee. The Trustee is hereby authorized in its own name to demand, collect, sue and receive any insurance money which may become due and payable under any policies payable to it.

Any appraisal or adjustment of any loss or damage under any policy of insurance required under this Indenture, whether such policy is payable to the Issuer or to the Trustee, and any settlement or payment of indemnity under any such policy which may be agreed upon by the Issuer and any insurer shall be evidenced by a certificate, signed by the District Manager approved by the Consulting Engineer, and filed with the Lender. The Trustee shall in no way be liable or responsible for the collection of insurance moneys in case of any loss or damage.

SECTION 7.16. Use of Revenues for Authorized Purposes Only. None of the Pledged Revenues shall be used for any purpose other than as provided in this Indenture and no contract or contracts shall be entered into or any action taken by the Issuer or the Trustee which will be inconsistent with the provisions of this Indenture.

SECTION 7.17. Books and Records; Annual Financial Statements. The Issuer shall keep proper books of record and account and annual financial statements in accordance with Generally Accepted Accounting Principles consistently applied and consistent with the provisions of this Indenture (separate from all other records and accounts), and which, together with all other books and records of the Issuer, including, without limitation, insurance policies, relating to the Series 2007 Project, shall at all times be subject during regular business hours to the inspection of the Lender.

The Issuer shall file with the Lender and the Trustee annually within 270 days after the close of each Fiscal Year, commencing with the Fiscal Year ending on September 30, 2024, its audited financial statements described in Section 7.22 hereof accompanied by a certificate of a Responsible Officer setting forth (i) a description in reasonable detail of the insurance then in effect pursuant to the requirements of Section 7.14 hereof and that the Issuer has complied in all respects with such requirements, (ii) whether during such year any material part of the Series 2007 Project has been damaged or destroyed and, if so, the amount of insurance proceeds covering such loss or damage and specifying the Issuer's reasonable and necessary replacement costs, and (iii) whether or not to the knowledge of the signatory, the Issuer is in default with respect to any of the covenants, agreements or conditions on its part contained in this Indenture, and if so, the nature of such default.

The report, statements and other documents required to be furnished by the Issuer to the Trustee pursuant to any provisions of this Indenture shall be provided by the Issuer electronically to the Lender.

SECTION 7.18. Reserved.

SECTION 7.19. Employment of Certified Public Accountant. The Issuer shall employ or cause to be employed as required a Certified Public Accountant to perform auditing functions and duties required by the Act and this Indenture.

SECTION 7.20. Establishment of Fiscal Year, Annual Budget. The Issuer has established a Fiscal Year beginning October 1 of each year and ending September 30 of the

following year. The reports and budget of the Issuer shall relate to such Fiscal Year unless and until, in accordance with applicable law, a different Fiscal Year is established by Certified Resolution of the Issuer and a copy of such Certified Resolution is filed with the Lender.

On or before the first day of each Fiscal Year the Issuer shall adopt a final Annual Budget in accordance with the Act and shall supply a copy of such budget within thirty (30) days upon the approval thereof to the Lender and to any other Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose. If for any reason the Issuer shall not have adopted the Annual Budget on or before the first day of any Fiscal Year, the Annual Budget for the preceding Fiscal Year shall, until the adoption of the new Annual Budget, be deemed in force for the ensuing Fiscal Year. The Issuer may at any time adopt an amended or supplemental Annual Budget for the remainder of the current Fiscal Year, and when such amended or supplemental Annual Budget is approved it shall be treated as the official Annual Budget under this Indenture. A copy of the Annual Budget shall be filed, on or before October 1 of each Fiscal Year commencing on October 1, 2025 for the Fiscal Year beginning October 1, 2025, delivered electronically via e-mail by the Issuer to the Lender and to any other Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 7.21. Employment of Consulting Engineer; Consulting Engineer's Report.

(a) The Issuer shall, for the purpose of performing and carrying out the duties imposed on the Consulting Engineer by this Indenture and as required under the Act, employ one or more Independent engineers or engineering firms or corporations having a statewide and favorable repute for skill and experience in such work.

(b) The Issuer shall cause the Consulting Engineer to make an inspection of the portions of the Series 2007 Project and any other capital assets owned by the Issuer at least once in each Fiscal Year and, on or before the first day of July in each Fiscal Year, to submit to the Board a report setting forth (i) its findings as to whether such portions of the Series 2007 Project and any other capital assets owned by the Issuer have been maintained in good repair, working order and condition, and (ii) its recommendations as to:

(i) the proper maintenance, repair and operation of the Series 2007 Project and any other capital assets owned by the Issuer during the ensuing Fiscal Year and an estimate of the amount of money necessary for such purposes; and

(ii) the insurance to be carried under the provisions of Section 7.14 hereof and the amount that should be set aside monthly for the purpose of paying insurance premiums which fall due less often than monthly.

Promptly after the receipt of such reports by the Issuer, copies thereof shall be filed with the Trustee and mailed by the Issuer to the Lender, and to all other Bondholders who shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 7.22. Audit and Other Reports. The Issuer covenants that after the end of each Fiscal Year, it will cause an audit to be made by a Certified Public Accountant covering all

receipts and moneys then on deposit with or in the name of the Trustee or the Issuer and any security held therefor and any investments thereof. On or before June 30, of each year for the Fiscal Year ending on the preceding September 30, commencing June 30, 2026 for the Fiscal Year ending September 30, 2025, copies of such audit reports shall be filed with the District Manager and the Secretary of the Board, and mailed or delivered electronically via e-mail by said Secretary to the Lender and to all other Bondholders who shall have filed their names and addresses with him for such purpose. If the material required to be in such reports also appears in the annual report of the Issuer provided for in Section 7.17 hereof in a manner that can be readily identified, then the filing of a copy of such annual audit shall satisfy the requirement of this Section 7.22. The Issuer shall also provide such other information (financial or otherwise) from time to time requested by the Lender.

SECTION 7.23. Information to Be Filed with Trustee. The Issuer shall cause to be kept on file with the Trustee at all times copies of the schedules of the Series 2025 Special Assessments. The Issuer shall keep accurate records and books of account and shall have a complete audit of such records and accounts made annually by a Certified Public Accountant, as provided in Section 7.22 hereof. A signed copy of said audit shall be furnished to the Lender and the Trustee (solely as a repository of such information) as soon as practicable after such audit shall become available.

SECTION 7.24. Covenant Against Sale or Encumbrance; Exceptions. The Issuer covenants that, except as in this Section permitted, it will not sell, lease or otherwise dispose of or encumber the Series 2007 Project. The Issuer may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments or other movable property acquired by it from the proceeds of the Series 2007 Bonds if the District Manager shall determine, with the approval of the Consulting Engineer, that such items are no longer needed or are no longer useful in connection with the maintenance and operation of the Series 2007 Project, and the proceeds thereof shall be applied to the replacement of the properties so sold or disposed of or, at the written direction of the Issuer shall be deposited to the credit of the Revenue Fund.

Upon any sale of property relating to the Series 2007 Project, the aggregate of which in any thirty (30) day period exceeds Thirty Thousand Dollars (\$30,000) under the provisions of this Section, the Issuer shall provide written notice to the Trustee and the Lender of the property so sold and the amount and disposition of the proceeds thereof.

The Issuer may lease or grant easements, franchises or concessions for the use of any part of the Series 2007 Project not incompatible with the maintenance and operation thereof, if Bond Counsel and the Consulting Engineer shall approve such lease, easement, franchise or concession in writing, and the net proceeds of any such lease, easement, franchise or concession (after the making of provision for payment from said proceeds of all costs incurred in financing, constructing, operating, maintaining or repairing such leases, easements, franchises or concessions) shall be deposited as received to the credit of the Revenue Fund.

SECTION 7.25. No Loss of Lien on Pledged Revenues. The Issuer shall not do or omit to do, or suffer to be done or omit to be done, any matter or thing whatsoever whereby the lien of the Bonds on the Pledged Revenues or any part thereof, or the priority thereof, would be

lost or impaired; provided, however, that this Section shall not prohibit the Trustee from transferring moneys to the Rebate Fund held by the Trustee in the manner provided herein.

SECTION 7.26. Compliance With Other Contracts and Agreements. The Issuer shall comply with and abide by all of the terms and conditions of any and all contracts and agreements which the Issuer entered into in connection with the Series 2007 Project and the issuance of the Bonds.

SECTION 7.27. Issuance of Additional Obligations. Except as provided below, without the express written consent of the Lender, which may be given at the sole discretion of the Lender, the Issuer shall not issue any obligations other than the Bonds payable from the Pledged Revenues, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge, payable from Pledged Revenues whether such other obligations are on a parity or subordinate basis with the Bonds. Notwithstanding the foregoing, the Issuer may issue additional bonds, not secured by the Series 2025 Special Assessments, if determined necessary for health or safety reasons or to mitigate any damage caused by any national disaster.

SECTION 7.28. Extension of Time for Payment of Interest Prohibited. The Issuer shall not directly or indirectly extend or assent to an extension of time for payment of any claim for interest on any of the Bonds and shall not directly or indirectly be a party to or approve any arrangement therefor by purchasing or funding or in any manner keeping alive any such claim for interest; no claim for interest which in any way, at or after maturity, shall have been transferred or pledged apart from the Bonds to which it relates or which shall in any manner have been kept alive after maturity by extension or by purchase thereof by or on behalf of the Issuer, shall be entitled, in case of a default hereunder, to any benefit or security under this Indenture except after the prior payment in full of the principal of all Bonds and claims for interest appertaining thereto not so transferred, pledged, kept alive or extended.

SECTION 7.29. Further Assurances. The Issuer shall not enter into any contract or take any action by which the rights of the Trustee or the Bondholders may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Indenture.

SECTION 7.30. Use of Bond Proceeds to Comply with Internal Revenue Code. The Issuer covenants to the Holders of the Bonds that it will not make or direct the making of any investment or other use of the proceeds of any Bonds issued hereunder which would cause such Bonds to be “arbitrage bonds” as that term is defined in Section 148 (or any successor provision thereto) of the Code or “private activity bonds” as that term is defined in Section 141 (or any successor provision thereto) of the Code, and that it will comply with the requirements of such Code sections and related regulations throughout the term of such Bonds. The Issuer hereby further covenants and agrees to comply with the procedures and covenants contained in any arbitrage rebate agreement executed in connection with the issuance of the Bonds for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds.

SECTION 7.31. Corporate Existence and Maintenance of Properties. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the Issuer shall

maintain its corporate existence as a local unit of special purpose government as a community development district under the Act and shall provide for or otherwise require the Series 2007 Project, and all parts thereof owned by the Issuer to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

SECTION 7.32. New Series 2025 Special Assessment Proceedings. If as a result of an Adjustment Event the current level of Series 2025 Special Assessments being levied by the Issuer would not be sufficient to pay the Debt Service Requirements of the Bonds, the Issuer shall take all actions within its control to conduct new assessment proceedings under Chapter 170 Florida Statutes relating to the Series 2007 Project so that the Series 2025 Special Assessments will be sufficient to pay the Debt Service Requirements on the Bonds, including any amounts due and owing. Notwithstanding the foregoing, if the Issuer attempts to conduct new assessment proceedings but is advised by its methodology consultant in writing (with a copy to the Lender) that there is not sufficient special benefit from the Series 2007 Project to support a greater level of Series 2025 Special Assessments than in effect prior to the Adjustment Event, then such option shall not be exercised. If the Issuer elects not to take action to conduct new assessment proceedings as described above or is unable to increase the Series 2025 Special Assessments, the Bonds, in whole or in part, shall, at the direction of the Lender, become immediately subject to extraordinary mandatory redemption pursuant to Section 6.01(b) hereof.

SECTION 7.33. Tax Audits and Determination of Taxability. The Issuer hereby covenants and agrees:

(a) to give prompt written notice to the Lender and the Trustee if and when the Issuer receives notice of, or becomes aware of, any inquiry, audit, investigation or other proceeding of the IRS (or any other government agency exercising the same or a substantially similar function from time to time) with respect to the Bonds;

(b) to give prompt written notice to the Lender and the Trustee if and when the Issuer receives notice of, or becomes aware of, any determination, whether preliminary or final, by the IRS (or any other government agency exercising the same or a substantially similar function from time to time) that the District, or any Florida community development district or other entity substantially similar to the Issuer, is not a political subdivision for purposes of Section 103(a) of the Code;

(c) if, following its receipt of such notice set forth in (b) above, the Lender so requests the Issuer in writing, the Issuer shall, at the Issuer's sole cost and expense, use its best efforts to obtain either (i) a final, non-appealable ruling from a court of competent jurisdiction or (ii) a determination letter issued to or on behalf of the Issuer by the Commissioner of the IRS or the Director of Tax-Exempt Bonds of the Tax-Exempt and Government Entities Division of the IRS (or any other government official exercising the same or a substantially similar function from time to time), in either case to the effect that the Issuer is a political subdivision for the purposes of Section 103(a) of the Code; and

(d) in the event the Lender receives any notice from the IRS that interest on the Bonds is taxable because the District is not a political subdivision for purposes of Section 103(a) of the Code, the Issuer shall, upon written request thereof from the Lender, use its best efforts, at the Issuer's sole cost and expense, to obtain either (i) a final, non-appealable ruling from a court of competent jurisdiction or (ii) a determination letter issued to or on behalf of the Issuer by the Commissioner of the IRS or the Director of Tax-Exempt Bonds of the Tax-Exempt and Government Entities Division of the IRS (or any other government official exercising the same or a substantially similar function from time to time), in either case to the effect that the Issuer is a political subdivision for the purposes of Section 103(a) of the Code and that, therefore, interest on the Bonds is exempt from federal income taxation.

The covenants set forth in this Section 7.33 shall survive the payment in full of the Bonds. Notwithstanding the covenants of the Issuer set forth in paragraphs (c) and (d) of this Section 7.33, the Lender recognizes that the best efforts of the Issuer does not mean assurances can be given that the IRS will change its position.

SECTION 7.34. Role of Lender. The Issuer acknowledges that the transaction contemplated hereby is an arm's length, commercial transaction between the Issuer and the Lender in which: (a) the Lender is acting solely as a principal (i.e., as a lender); (b) the Lender is not acting as a municipal advisor or financial advisor to the Issuer; (c) the Lender has no fiduciary duty pursuant to Section 15B of the Securities Exchange Act of 1934 to the Issuer with respect to such transaction and the discussions, undertakings and procedures leading thereto (irrespective of whether the Lender has provided other services or is currently providing other services to the Issuer on other matters); (d) the only obligations the Lender has to the Issuer with respect to such transaction are set forth in this Indenture and the Bond Placement Agreement; and (e) the Lender is not recommending that the Issuer take an action with respect to this transaction, and before taking any action with respect hereto, the Issuer has discussed this transaction with its own legal, accounting, tax, financial and other advisors, as it deems appropriate.

END OF ARTICLE VII

ARTICLE VIII
EVENTS OF DEFAULT AND REMEDIES

SECTION 8.01. Events of Default and Remedies. Events of default and remedies with respect to the Bonds shall be as set forth in this Indenture.

SECTION 8.02. Events of Default Defined. Each of the following shall be an “Event of Default” under this Indenture, with respect to the Bonds:

(a) if payment of any installment of interest on any Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption to the extent required herein; or

(c) if the Issuer, for any reason, is rendered incapable of fulfilling its obligations under this Indenture or under the Act; or

(d) if the Issuer proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Issuer or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the Issuer defaults in the due and punctual performance of any other covenant in this Indenture or in any Bond issued pursuant to this Indenture and such default continues for thirty (30) days (the “Cure Period”) after the earlier of (i) the date the Issuer had received actual notice of such default or (ii) the date written notice requiring the same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Lender; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within the Cure Period, no Event of Default shall be deemed to have occurred or exist if, and so long as the Issuer shall commence such performance within the Cure Period and shall diligently and continuously prosecute the same to completion, but in no event shall the Cure Period be longer than sixty (60) days in the aggregate.

For as long as an Event of Default under this Section 8.02 has occurred and is continuing, the Bonds shall bear interest at the Default Rate. In the event the Issuer cures any Event of Default under this Section 8.02, the interest rate on the Bonds shall return to the Initial Interest Rate or the Taxable Rate, as applicable. If any payment due on the Bonds is not received by the Lender when due, the Lender, in its sole discretion, may charge a Late Fee.

SECTION 8.03. Notice of Defaults. The Issuer shall within five (5) days after it acquires knowledge thereof, notify the Owner in writing at its notice address provided in Section

13.06 hereof (a) of any change in any material fact or circumstance represented or warranted by the Issuer in this Indenture or in connection with the issuance of the Bonds and (b) any event or condition which with the passage of time or giving of notice, or both, would constitute an Event of Default, and shall provide the Owner, with such written notice, a detailed statement by a responsible officer of the Issuer of all relevant facts and the action being taken or proposed to be taken by the Issuer with respect thereto. Regardless of the date of receipt of such notice by the Owner, such date shall not in any way modify the date of occurrence of the actual Event of Default.

SECTION 8.04. No Acceleration. No Bonds issued under this Indenture shall be subject to acceleration.

SECTION 8.05. Legal Proceedings by Trustee; Co-Equal Lien Status. If any Event of Default with respect to the Bonds has occurred and is continuing, the Trustee shall, at the written direction of the Lender, if it is the sole Owner of the Bonds, or if the Lender is not the sole Owner of the Bonds, the Trustee may, in its discretion, and upon the written request of the Holders of not less than a majority of the aggregate principal amount of the Outstanding Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Bonds, including, without limitation, the right to require the Issuer to carry out any agreements with, or for the benefit of, the Bondholders of the Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Bonds;

(c) by action or suit in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies available at law or in equity or as provided for by any other document or instrument securing such Bonds.

SECTION 8.06. Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the Issuer, the Trustee, the Paying Agent, and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

SECTION 8.07. Bondholders May Direct Proceedings. Subject to Section 8.08 hereof, the Holders of a majority in aggregate principal amount of the Outstanding Bonds then subject to remedial proceedings under this Article VIII shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under this Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of this Indenture.

SECTION 8.08. Limitations on Actions by Bondholders. No Bondholder shall have any right to pursue any remedy hereunder unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Holders of at least a majority of the aggregate principal amount of the Outstanding Bonds shall have requested the Trustee, in writing, to exercise the powers hereinabove granted or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity reasonably satisfactory to it against costs, expenses and liabilities, and (d) the Trustee shall have failed to comply with such request within a reasonable time. Notwithstanding the foregoing, if the Lender is the only Bondholder, the Lender shall have the right, upon written notice to the Trustee, to pursue any remedy hereunder, or available to it at law or in equity, in its name and the Trustee shall have no liability or responsibility for the exercise of any remedies by the Lender.

SECTION 8.09. Trustee May Enforce Rights Without Possession of Bonds. All rights under this Indenture and the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof at the trial or other proceedings relative thereto, and any proceeding instituted by the Trustee shall be brought in its name for the ratable benefit of the Holders of the Bonds.

SECTION 8.10. Remedies Not Exclusive. Except as limited under Section 13.01 of this Indenture, no remedy contained in this Indenture is intended to be exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 8.11. Delays and Omissions Not to Impair Rights. No delay or omission in respect of exercising any right or power accruing upon any Event of Default shall impair such right or power or be a waiver of such Event of Default, and every remedy given by this Article VIII may be exercised from time to time and as often as may be deemed expedient.

SECTION 8.12. Application of Moneys in Event of Default. Any moneys held by the Trustee or received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under this Article VIII with respect to the Bonds shall be applied in the following order of priority:

FIRST: to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under this Article VIII with respect to the Bonds, including counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee;

SECOND: to the payment of the costs of the Lender incurred in connection with actions taken under this Article VIII with respect to the Bonds, including counsel fees and any disbursements of Lender;

THIRD: to payment of all installments of interest then due on the Bonds at the applicable rate or rates in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled

thereto, without any preference or priority of one installment of interest over any other installment; and

FOURTH: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Bonds which shall have become due in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, and any other amounts due on such Bonds to the persons entitled thereto without any preference or priority of one such Bond over another or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the Issuer or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

SECTION 8.13. Trustee's Right to Receiver; Compliance with Act. The Trustee shall be entitled as of right to the appointment of a receiver and the Trustee, the Bondholders and any receiver so appointed shall have such rights and powers and be subject to such limitations and restrictions as are contained in the Act and other applicable law of the State.

SECTION 8.14. Trustee and Bondholders Entitled to all Remedies under Act. It is the purpose of this Article, to provide such remedies to the Trustee and Bondholders as may be lawfully granted under the provisions of the Act and other applicable laws of the State; if any remedy herein granted shall be held unlawful, the Trustee and the Bondholders shall nevertheless be entitled to every other remedy provided by the Act and other applicable laws of the State. It is further intended that, insofar as lawfully possible, the provisions of this Article VIII shall apply to and be binding upon any receiver appointed in accordance with Section 8.13 hereof.

END OF ARTICLE VIII

ARTICLE IX
THE TRUSTEE; THE PAYING AGENT AND REGISTRAR

SECTION 9.01. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article IX, to all of which the parties hereto and the Bondholders agree. The Trustee shall act as Trustee for the Bonds under this Indenture. Prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, and subject to the provisions of Section 9.03 hereof, the Trustee shall have only such duties as are expressly set forth herein, and no duties shall be implied on the part of the Trustee. Subject to the provisions of Section 9.03 hereof, the Trustee shall have only such duties as are expressly set forth herein, and no duties shall be implied on the part of the Trustee. During the existence of any Event of Default, the Trustee shall exercise the rights, duties and powers vested in it with the same degree of skill and care as a prudent person would exercise or use under the circumstances in the conduct of their own affairs; provided, however, that if the Lender has elected to exercise remedial rights or otherwise instructed the Trustee not to exercise remedial rights, the Trustee's duties shall be governed by the immediately preceding sentence and not the prudent person standard.

SECTION 9.02. No Responsibility for Recitals. The recitals, statements and representations in this Indenture or in the Bonds, save only the Trustee's Certificate, if any, upon the Bonds, have been made by the Issuer and not by the Trustee and the Trustee shall be under no responsibility for the correctness thereof.

SECTION 9.03. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of Counsel concerning all questions hereunder; the Trustee shall not be answerable for the default or misconduct of any attorney or agent selected and supervised by it with reasonable care, and the advice or opinion of counsel selected by it with reasonable care shall be full and complete authorization and protection in respect to any action taken or omitted by it hereunder. The Trustee shall not be answerable for the exercise of any discretion or power under this Indenture nor for anything whatever in connection with the trust hereunder, except only its own negligence or willful misconduct or breach of its obligations hereunder. The Trustee shall not be liable for any error of judgment made in good faith, unless it has been proven that the Trustee was negligent in ascertaining the pertinent facts. The Trustee shall have no liability for any action or refraining from action if at the direction of the Lender or a majority of the beneficial owners of the Bonds.

SECTION 9.04. Compensation and Indemnity. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law, indemnify, defend, protect and hold the Trustee harmless against any liabilities, losses, damages, costs and expenses ("Losses") which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to Losses caused by the Trustee's negligence or willful misconduct. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys coming into its hands and payable to the Issuer but exclusive of the Rebate Fund, which right of payment shall be prior to the right of the holders of the Bonds. The provisions of this Section 9.04 shall survive the termination of this Indenture and, as to any Trustee, its removal or

resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

SECTION 9.05. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

SECTION 9.06. Notice of Default; Right to Investigate. The Trustee shall give written notice by first-class mail to registered Holders of the Bonds of all defaults known to the Trustee, unless such defaults have been remedied (the term “defaults” for purposes of this Section and Section 9.07 being defined to include the events specified as “Events of Default” in Article VIII hereof, but not including any notice or periods of grace provided for therein); provided that other than when the Lender owns any of the Bonds, except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Indenture, unless notified in writing of such default by the Lender if the Owner of the Bonds or if not the Owner of the Bonds by the Holders of at least a majority of the aggregate principal amount of the Outstanding Bonds. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer. The Lender may take all actions hereunder that the trustee is authorized to take, if the Trustee does not take action or refuses to take action without indemnity.

SECTION 9.07. Obligation to Act on Defaults. Unless (i) requested in writing to do so by the Holders of at least a majority of the aggregate principal amount of the Outstanding Bonds which are or would be, upon the taking of such action, subject to remedial proceedings under Article VIII of this Indenture, and (ii) it is furnished with indemnity satisfactory to it, the Trustee shall be under no obligation to take any action in respect of any default or otherwise. No provision of this Indenture or the Bonds shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, except to give notice of default as required under the Indenture. Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Bonds.

SECTION 9.08. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, telegram, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of this Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

SECTION 9.09. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders

may be entitled to take with like effect as if the Trustee were not a party to this Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under this Indenture, it shall eliminate the conflict or resign as Trustee.

SECTION 9.10. Construction of Ambiguous Provisions. The Trustee may construe any ambiguous or inconsistent provisions of this Indenture, and except as otherwise provided in Article XI of this Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer and the Lender of any intention to make such construction.

SECTION 9.11. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Indenture by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date when such resignation is to take effect. Notice of such resignation shall be sent by first-class mail to each Bondholder as its name and address appears on the Bond Register and to any Paying Agent, Registrar, and Authenticating Agent at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed.

SECTION 9.12. Removal of Trustee. The Trustee may be removed at any time by either (a) the Issuer, if no default exists under this Indenture, or (b) an instrument or concurrent instruments in writing, executed by the Owners of at least a majority of the aggregate principal amount of the Bonds then Outstanding and filed with the Issuer. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Authenticating Agent.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than a majority of the aggregate principal amount of the Bonds then Outstanding.

SECTION 9.13. Appointment of Successor Trustee. ARTICLE XII DEFEASANCE

SECTION 12.01. Defeasance. SECTION 12.02. Deposit of Funds for Payment of Bonds. If the Issuer deposits with an escrow agent moneys sufficient, or Defeasance Securities, the principal of and interest on which, when due, together with any moneys remaining uninvested, will provide sufficient moneys to pay the principal or Redemption Price of the Bonds becoming due, either at maturity or by redemption or otherwise, together with all interest accruing thereon to the date of maturity or such prior redemption, and reimburses or causes to be reimbursed or pays or causes to be paid the other amounts required to be reimbursed or paid under Section 12.01 hereof, interest on such Bonds shall cease to accrue on such date of maturity or prior redemption and all liability of the Issuer with respect to such Bonds shall likewise cease, except as hereinafter provided; provided, however, that (a) if the Bonds are to be redeemed prior to the maturity thereof, notice of the redemption thereof shall have been duly given in accordance with the provisions of Section 6.02 hereof, or irrevocable provision satisfactory to the Trustee shall have been duly made for the giving of such notice, and (b) in the event that any Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days following a deposit of moneys with the escrow agent, in accordance with this Section, the Issuer shall have given the escrow agent, in form satisfactory to the escrow agent, irrevocable instructions to mail to the Owners of such Bonds at their addresses as they appear on the Bond Register, a notice stating that a deposit in accordance with this Section has been made with the escrow agent and that the Bonds to which such notice relates are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price (as the case may be) of, and interest on, said Bonds. Thereafter such Bonds shall be deemed not to be Outstanding hereunder and the Owners of such Bonds shall be restricted exclusively to the funds so deposited for any claim of whatsoever nature with respect to such Bonds, and the escrow agent shall hold such funds in trust for such Owners. At the time of the deposit referred to above, there shall be delivered to the escrow agent and Lender a verification from a firm of independent certified public accountants stating that the principal of and interest on the Defeasance Securities, together with the stated amount of any cash remaining on deposit with the escrow agent, will be sufficient without reinvestment to pay the remaining principal of, redemption premium, if any, and

interest on such defeased Bonds. In addition, Bond Counsel will deliver a defeasance opinion to the Issuer, the Trustee and the Lender.

Money so deposited with the escrow agent which remains unclaimed three (3) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the knowledge of the escrow agent in default with respect to any covenant in this Indenture or the Bonds contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the escrow agent, before making payment to the Issuer, may, at the expense and direction of the Issuer, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

terms used but not defined herein shall have the respective meanings assigned to such terms in the Indenture.

If there is a Determination of Taxability, the Bonds shall bear interest retroactively from the earliest effective date of such Determination of Taxability at a rate per annum equal to the Taxable Rate. Upon an occurrence of a Determination of Taxability, the Issuer hereby agrees to pay to the Owner (i) an additional amount equal to the difference between (A) the amount of interest actually paid to the Owner (or former Owner) on the Bonds during the Determination of Taxability Period and (B) the amount of interest that would have been paid to the Owner (or former Owner) on the Bonds during the Determination of Taxability Period had the Bonds borne interest at the Taxable Rate, plus (ii) an amount equal to any interest, charges, penalties on overdue interest and additions to tax (as referred to in Subchapter A of Chapter 68 of the Code) owed by the Owner (of former Owner) as a result of the occurrence of a Determination of Taxability.

Upon the occurrence and continuance of an Event of Default described in Section 8.02 of the Indenture, the Bonds shall bear interest at the Default Rate pursuant to the terms of the Indenture. In the event the Issuer cures any Event of Default under Section 8.02 of the Indenture, the interest rate on the Bonds shall return to the applicable Interest Rate.

Subject to the occurrence of an Adjustment Event, the Bonds shall bear interest at the applicable interest rate as determined above until the final maturity of this Bond or the earlier redemption of this Bond in full.

The Owner shall advise the Trustee and the Issuer in writing within a reasonable time in good faith what amounts, if any, are owing as a result of an Adjustment Event as described in the Indenture. The determination of the Owner as to such amounts owed shall be conclusive absent manifest error and the Trustee may conclusively rely upon such information without the duty to verify the accuracy of such information. Such additional amounts shall be paid by the Issuer within thirty (30) days after the date of such notice from the Owner. In no event, however, shall the interest rate applicable to any of the amounts payable on the Bonds, together with all fees, charges, and other amounts which may be treated as interest with respect thereto under applicable law, exceed the maximum rate permitted by law.

Upon the occurrence of a Loss of Bank Qualified Status, the Issuer shall pay to the Lender, within sixty (60) days after demand, such amounts as shall provide to the Lender the same rate of return hereon that the Lender would have realized had there been no Loss of Bank Qualified Status. This adjustment shall survive payment of the Bonds until such time as the federal statute of limitations under which the Bonds could be declared not to be a qualified tax-exempt obligation under Section 265(b)(3) of the Code.

Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Bonds issued under the Indenture, the operation and application of the Debt Service Fund and other Funds and Accounts charged with and pledged to the payment of the principal of and the interest on the Bonds, the levy and the evidencing and certifying for collection, of Series 2025 Special Assessments, the nature and extent of the security for the Bonds, the terms and conditions on which the Bonds are issued, the rights, duties and obligations of the Issuer and of the Trustee under the Indenture, the conditions under

which such Indenture may be amended without the consent of the registered owners of Bonds, the conditions under which such Indenture may be amended with the consent of the registered owners of a majority in aggregate principal amount of the Bonds outstanding, and as to other rights and remedies of the registered owners of the Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

It is expressly agreed by the owner of this Bond that such owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, the City of Jacksonville, Florida, Duval County, Florida, the State of Florida or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, the City of Jacksonville, Florida, Duval County, Florida, the State of Florida or any other political subdivision thereof, for the payment of the principal of and interest on this Bond or the making of any other sinking fund and other payments provided for in the Indenture, except for Series 2025 Special Assessments to be assessed and levied by the Issuer as set forth in the Indenture.

By the acceptance of this Bond, the owner hereof assents to all the provisions of the Indenture.

This Bond is payable from and secured by Pledged Revenues, as such term is defined in the Indenture, all in the manner provided in the Indenture. The Indenture provides for the levy and the evidencing and certifying, of non-ad valorem assessments in the form of the Series 2025 Special Assessments to secure and pay the Bonds.

The Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the redemption price of the Bonds shall be made on the dates specified below.

Optional Redemption

The Bonds are subject to optional redemption at the option of the Issuer, in whole or in part, on any date on or after September 1, 2030 at a Redemption Price of 100% of the principal amount of the Outstanding Bonds to be redeemed, plus accrued interest to the redemption date, upon receipt by the Trustee not less than thirty-five (35) days or more than forty-five (45) days prior to such redemption date of a written direction from the Issuer stating that it intends to effect redemption of such Bonds on a date certain.

Mandatory Sinking Fund Redemption

The Bonds are subject to mandatory sinking fund redemption on May 1 in the years and in the principal amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption. The outstanding balance of the Bonds shall be due and payable on May 1, 2038. Such principal amounts shall be reduced as specified by the Issuer by the principal amount of any Bonds redeemed pursuant to extraordinary mandatory redemption as set forth below.

Extraordinary Mandatory Redemption in Whole or in Part

The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, or in part, on any date (except in the case of clause (i) below which must occur on an Interest Payment Date), at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, from moneys deposited into the Bond Redemption Fund following (i) the Prepayment of Series 2025 Special Assessments on any portion of the District Lands in accordance with the provisions of the Indenture, or (ii) as a result of the application of Section 7.32 of the Indenture.

Notice of Redemption

The Trustee shall cause notice of redemption to be mailed at least thirty (30) days prior to the date of redemption to all registered owners of Bonds to be redeemed (as such owners appear on the books of the Registrar on the fifth (5th) day prior to such mailing) and to certain additional parties as set forth in the Indenture; provided, however, that failure to mail any such notice or any defect in the notice or the mailing thereof shall not affect the validity of the redemption of the Bonds for which such notice was duly mailed in accordance with the Indenture. If less than all of the Bonds shall be called for redemption, the notice of redemption shall specify the Bonds to be redeemed. On the redemption date, the Bonds called for redemption will be payable at the designated corporate trust office of the Paying Agent and on such date interest shall cease to accrue, such Bonds shall cease to be entitled to any benefit under the Indenture and such Bonds shall not be deemed to be outstanding under the provisions of the Indenture and the registered owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof, all as provided in the Indenture. No notice of redemption shall be given for a mandatory sinking fund redemption if SouthState Bank, N.A. is the owner of 100% of the Bonds.

Upon (i) any redemption of Bonds other than in accordance with scheduled mandatory sinking fund payments, and (ii) any change in the interest rate on the Bonds on account of a Determination of Taxability or otherwise, the Issuer shall promptly cause to be recalculated and delivered to the Lender and the Trustee revised mandatory sinking fund payments recalculated so as to amortize the Outstanding principal amount of such Bonds in substantially equal annual installments of principal and interest (except for the last maturity which will represent the Outstanding balance of the Bonds) (subject to rounding to an amount of principal for each installment being devisable by \$1,000) over the remaining term of such Bonds. The mandatory sinking fund payments as so recalculated as a result of an extraordinary mandatory redemption in part shall not result in an increase in the aggregate of the mandatory sinking fund payments for any of such Bonds in any year (except, to the extent necessary for the last maturity which will represent the outstanding balance of the Bonds). In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund payment is due, the foregoing recalculation shall not be made to mandatory sinking fund payments due in the Fiscal year in which such redemption occurs, but shall be made to mandatory sinking fund payments for the immediately succeeding and subsequent Fiscal years. Notwithstanding anything to the contrary, upon any redemption of the Bonds, the Issuer covenants that such redemption will not result in any increase in annual Debt Service Requirements on the Bonds, through the final maturity date of the Bonds.

The Issuer shall keep books for the registration of the Bonds at the corporate trust office of the Registrar in Orlando, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee or such other authenticating agent as may be appointed by the Trustee under the Indenture shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds. Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, the Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes.

All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in connection with the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Indenture until it shall have been authenticated by execution of the Trustee, or such other authenticating agent as may be appointed by the Trustee under the Indenture, of the certificate of authentication endorsed hereon.

IN WITNESS WHEREOF, Bainebridge Community Development District has caused this Bond to be signed by the manual signature of the Chairperson of its Board of Supervisors and its seal to be imprinted hereon, and attested by the manual signature of an Assistant Secretary of its Board of Supervisors, all as of the date hereof.

I. INTRODUCTION

This Supplemental Special Assessment Allocation Report is being presented in anticipation of a refunding and defeasance of the Series 2007 Bonds by the Bainebridge Community Development District (“District”), a local unit of special purpose government established in accordance with Chapter 190, Florida Statutes. The District will issue its Special Assessment Refunding Bond, Series 2025, and has retained Rizzetta & Company, Incorporated to prepare a methodology for allocating the special assessments to be levied by the District in connection with the transaction.

II. DEFINED TERMS

“2007 Report” – The Final First Supplemental Special Assessment Allocation Report dated May 2, 2007, which specifies the allocation methodology used for the District’s Series 2007 assessments.

“District” – Bainebridge Community Development District.

“Indenture” – The District’s Trust Indenture dated August 1, 2025.

“Series 2007 Assessments” – Special assessments levied to secure the District’s Series 2007 Bonds.

“Series 2007 Bonds” – Bainebridge Community Development District Special Assessment Bonds, Series 2007, issued May 3, 2007, in the original par amount of \$8,240,000, of which \$1,390,000 is currently outstanding.

“Series 2025 Assessments” – The Series 2007 Assessments recast to be levied to secure repayment of the District’s Series 2025 Bond.

“Series 2025 Bond” – The \$1,090,000 Bainebridge Community Development District Special Assessment Refunding Bond, Series 2025.

III. DISTRICT INFORMATION

The District was established pursuant to City of Jacksonville Ordinance #2005-1417-E which became effective on January 23, 2006. The District previously issued its Series 2007 Bonds to finance the construction and acquisition of public infrastructure. The District’s Series 2007 Bonds are now being considered for a refunding. The District contains approximately 208 +/- acres on which there are 266 residential units subject to the Series 2007 Assessments. Only those units currently encumbered by the Series 2007 Assessments will be subject to the Series 2025 Assessments.

See Table 1 for a detail of the product types and number of units currently encumbered by the Series 2007 Assessments.

Rizzetta & Company

IV. SERIES 2025 BOND AND ASSESSMENTS

The Series 2007 Bonds are currently outstanding in the principal amount of \$1,390,000. To take advantage of market conditions, the District intends to refund and defease the Series 2007 Bonds with the Series 2025 Bond, repayment of which will be secured by the levy of Series 2025 Assessments on the lands currently encumbered by Series 2007 Assessments.

The Series 2025 Bond will be a single issue, private placement transaction in order to achieve the most favorable terms. The Series 2025 Bond is to be issued in a par amount of \$1,090,000, with a maximum annual debt service (MADS) amount of \$113,520. The bond proceeds will be combined with available funds on-hand to make the required deposits associated with the defeasance of the Series 2007 Bonds, with the remainder being used to fund interest through November 1, 2025. The sources and uses of the funds associated with the Series 2025 Bond can be found in Table 2.

The Series 2025 Bond will be secured by the Series 2025 Assessment lien which will be sized based on the debt service requirements for the Series 2025 Bond, with the assessment to be levied on the lots to be encumbered pursuant to the methodology below. Because these assessments normally are collected via the Duval County tax bill process, the Series 2025 Special Assessments will be augmented to allow for county collection costs and early payment discounts as prescribed by state law, which have been estimated for purposes of this report. See Table 3 for detailed financing data on the Series 2025 Assessments.

V. SERIES 2025 ASSESSMENT ALLOCATION

The District is securing repayment of the Series 2025 Bond through the levy of Series 2025 Assessments, as contemplated under Florida Statutes Chapters 170 and 190, on those parcels currently encumbered by Series 2007 Assessments. Unlike property taxes, which are *ad valorem* in nature, a community development district may levy special assessments under Florida Statute only if the parcels to be assessed receive special benefit from the infrastructure improvements acquired and/or constructed by such district. These special benefits are peculiar to lands within the district and differ in nature to those general or incidental benefits that landowners outside the district or the general public may enjoy. A district must also apportion or allocate its special assessments so that the assessments are fairly and reasonably distributed relative to the special benefit conferred. Generally speaking, this means the amount of special assessment levied on a parcel should not exceed the amount of special benefit enjoyed by that parcel. The District typically may develop and adopt an assessment methodology based on front footage, square footage, or any other reasonable allocation method, so long as the assessment meets the benefit requirement, and so long as the assessments are fairly and reasonably allocated.

The Series 2025 Assessments will be allocated among the parcels currently subject to the Series 2007 Assessments using the same methodology found in the 2007 Report. The configuration of the parcels and the benefit conferred in the 2007 Report remains consistent. Accordingly, the Series 2025 Assessment allocation is fair and reasonable, and the resulting per unit assessments fall within acceptable benefit levels. See Table 4 for the new Series 2025 Assessments for each specific land use currently encumbered by the Series 2007 Assessments,

along with a comparison of the original Series 2007 Assessments and Series 2025 Assessments to illustrate the relative reduction in annual payments to be enjoyed by each of the land uses.

The Series 2025 Assessment Roll can be found on page A-5.

VI. PREPAYMENT OF SERIES 2025 ASSESSMENTS

The Series 2025 Assessments encumbering a parcel may be prepaid in full at any time, without penalty, together with interest at the rate on the Series 2025 Bond to the Interest Payment Date (as defined in the Indenture) that is more than forty-five (45) days next succeeding the Quarterly Redemption Date (as defined in the Indenture). Notwithstanding the preceding provisions, the District does not waive the right to assess penalties which would otherwise be permissible if the parcel being prepaid is subject to an assessment delinquency.

VII. ADDITIONAL STIPULATIONS

Proposal:

First Coast Contract Maintenance Service LLC, is a maintenance and janitorial service company designed to assist overburdened property management companies with the day to day management of onsite maintenance tasks and personnel. With a dedicated maintenance manager directing onsite workers and job tasks, Owners/Management can focus on the other aspects of the property.

A few ways First Coast CMS outmatches traditional onsite maintenance and janitorial staffs are:

- Immediate coverage when needed for emergencies
- Assist Managers in locating outside contractors when the job calls for it.
- Support for larger jobs for instances that more workers are needed.
 - i.e. clean up after extreme weather
- Records of maintenance task performed and recommendations for projects and preventative maintenance
- Technicians are NSPF Certified Pool Operators, eliminating the need for traditional pool service companies.

- No need to worry about payroll, insurance, or workers compensation, it's all covered!

Each property is evaluated and a maintenance and janitorial program is created to accommodate whatever the needs may be.

Property: Bainbridge Estates CDD

Scope:

Pool (\$885)

Our certified technician will be responsible for and maintaining correct water chemistry in the swimming pool. A series of water tests will be conducted at each visit. The results of these tests will be interpreted and used to determine the chemicals needed to maintain and assure purity and water balance as recommended by the NSPF and required by the State of Florida.

In addition, the technician will be responsible for cleaning the filter, pump and skimmer baskets as needed. The technician will also be responsible for general maintenance and adjustment of pool equipment as needed. The pool will be vacuumed regularly and surface water skimmed to remove floating debris. The technician will manually clean pool steps and tiles as needed.

The pool will be inspected regularly and anything that appears to be in violation of the state pool code will either be corrected, or management notified of the violation so it can be corrected as soon as possible.

A manually written record will be kept showing activities of the pool, as well as a full test kit onsite at all times. Entries will show water test, chemicals added, filter condition, and whatever maintenance task performed on the pool that day. The routine chemical test performed by the technician will be Free Chlorine Residual, pH, Acid Demand, Total Alkalinity, Calcium Hardness, and Cyanuric Acid.

Any repairs or additional work will be charged for extra. This includes work on mechanical seals, bearings, gaskets, light bulbs, or any other part of the pool that is not "routine" pool maintenance.

Any chemicals and filter media used to properly treat and balance the pool are not covered and will be invoiced monthly.

Common Area Maintenance (\$ 320)

Three hours per week will be dedicated to general facilities maintenance and repair. The onsite personnel may repair any minor issue that 1) does not require a trade license 2) Is not covered under another contract 3) Can be completed within the allotted time frame, and 4) Does not require prior approval from management. Materials for repairs are not covered and will be submitted for reimbursement. Management will be notified about any issue that can't be repaired "in house" or requires invoicing upon completion.

Staffing (\$ 3382)

The option below is for providing the district with an onsite staff member. The staff member's duties will include setting up activities for the community, janitorial duties, and other activities decided by the amenity manager.

- Empty all trash cans on site and replace liners
- Clean all glass windows and doors inside and out
- Clean all windowsills
- Vacuum all carpeted areas. Sweep and mop all resilient floors
- Sanitize all sinks, faucets, and countertops
- Wipe down all fitness equipment with germicidal spray
- Clean light fixtures, A/C vents, ceiling fans and any window treatments (as needed)
- Clean and sanitize all toilets, urinals, and diaper changing stations
- Clean all mirrors and stainless fixtures
- Restock all paper products, soaps, and restroom toiletries
- Blow off pool patio and keep free of debris
- Wipe down pool chairs and chaise lounges
- Wipe down patio tables and water fountains
- Police all common area property (clubhouse, playground, tennis court, pool and entrance) for trash

Multiple staff members working (40 hrs total) weekly, plus current services

Materials purchased to provide services, for repair and janitorial, are not covered under the estimate and will be submitted for reimbursement and a 3% purchase delivery fee.

In consideration for providing personnel onsite for *Janitorial, Maintenance Pool and staffing* services, minimum three visits a week and as needed for emergencies, provided by the Contractor, First Coast CMS LLC, remuneration to the order of **\$4587 per month** is to be paid on the first of every month.

If agreed upon, a contract would be drafted and signed by both parties specifying details and could be terminated at any time by either party given a 60 day written notice. This proposal is meant to be in effect for a period of 24 months from the signed date. There will be an automatic 3% increase after 12 months.

Thank you for your consideration and we hope to do business with your organization.
